## For whom We can be helpful

We support all types of businesses from startup to nation-wide retailers

### Online Stores

You are selling korean cosmetics online in Your own store, Social media or E-commerce platform (Amazon, EBay, Shopify, Qoo10, Shopee, etc.)

### Traditional Stores

You have a traditional street-side business such as an offline brick and mortar retail store or showroom that offers products to its customers face-to-face.

### Distributors

You are a B2B/B2C cosmetics distributor looking for an opportunity to add the K-Beauty products to your portfolio.

## Why SuperKos?

### 1. We only handle authentic Korean Cosmetics products.

With the growing popularity of Korean cosmetics, non-genuine goods are circulating in the market, causing confusion amongst consumers and wholesalers who want to buy genuine cosmetic products. Our company is dedicated to brand authentic products so that we can meet our customers' needs and expectations. Moreover, with our knowledge, trust-based deals can be made.

### 2. We give you a quick answer to the customer's questions.

Our company communicates with customers in various ways, including phone, email, and social network messaging. In particular, we are committed to answering product or order questions as soon as possible. In fact, many customers are satisfied with the quick feedback of our customer service team.

### 3. We provide you with various information related to Korean cosmetics such as brand recommendations and new brand launching.

In the fast-changing cosmetics market, being quicker and getting up to date information is paramount. To meet the

diverse needs of our customers, we send you weekly newsletter emails, and we have information about recommended brands and even new brands, so you can get to market trends faster.

### 4. In addition to existing Korean brands, OEM/ODM handling is possible.

Superkos has a close relationship with local cosmetics manufacturers with high cost of plasticity, so if you want MADE IN KOREA to manufacture cosmetics, you can proceed with OEM/ODM manufacturing and handle them with the best terms.

### 5. Above all, we will respond sincerely and honestly to your information.

There are many Korean cosmetics exporters, but our company aims to make a genuine and transparent transaction in order to establish a LONG-TERM business relationship with you. We will also respond to smaller inquiries immediately and efficiently. All and any enquiries will be fine. Please feel free to contact us and we'll do our best to respond.
